Dear Mr. Pelletier:

I am doing a series of radio programs for P/R Productions in New York, telling the story of WHITEWASH, and have suggested that they write you.

You are welcome to quote from either of my books as one would, let's say, in reviewing. The first one is available in many places as a Dell reprint. Each is available from me (very few bookstores carry a private printing) at $5.00 each including postage, handling - all costs.

The retail price is $4.95.

We will very much appreciate any help you can give us because we have no funds for advertising.

Sincerely,

Harold Weisberg
